Sir,

I have the honor to state that the president of the Jaggulala Dharmasala, Mysore, reports in his letter No.30 dated 9th September 1920 that the Superintendent Vanivilas Water Works, Lysore, sent a bill for Rs.240-8-0 being the amount due from the Dharmasala on account of excess water used in the taps attached thereto from 1st July 1914 to 30th June 1920 and that the amount was, in accordance with the resolution passed in the Committee on 28th August 1920, drawn from the Savings Bank and paid under protest to the water supply ~~depot~~ department lest water supply be cut off as per notice issued by the Superintendent.

The President while recommending the approval of the action of the Committee states that the Dharmasala is a Muzrai Charitable Institution and as such that it is reasonable and fair it should be exempted from the payment of excess water tax, as the water is used solely by the travellers stopping there, and requests to obtain the orders of Government for the refund of the amount of Rs.240-8-0 now paid to the Water Works Department under protest.

Under these circumstances, I request that you will be so good as obtain the orders of Government in the matter.

The President's letter under reference together with all its
